Positioning

The GLS sets standards with its spaciousness, agility and luxurious comfort. Whether in day-to-day operation or off the beaten track, as a towing vehicle or family car – the GLS serenely and comfortably masters all requirements.

Highlights

- » Three seat rows as standard offer up to seven occupants a high level of comfort and space.
- » The Driving Assistance package Plus combines safety and assistance systems such as Distance Assist DISTRONIC with Steering Assist, Active Brake Assist with cross-traffic function, Active Blind Spot Assist, Active Lane Keeping Assist and PRE-SAFE® PLUS.
- » Outstanding ride comfort thanks to the combination of the 9G-TRONIC automatic transmission and the AIRMATIC package with the adaptive damping system ADS PLUS, which continuously regulates the damping forces at each wheel.
- » Noticeably variable driving experience thanks to DYNAMIC SELECT with up to six driving programs
